Commissioner of Patents

In the Response to Restriction Requirement, filed 6/04/03, Applicant canceled all previously pending claims, introduced new Claims 383-391, and elected "Group 1". Applicant failed, however, to elect any species as set forth in the Restriction Requirement, mailed 10/18/02. Accordingly, the response is considered to be non-responsive. Additionally, Applicant has indicated that all of the claims are now directed to the invention of Group I even though several of the new claims, e.g., Claims 385 and 386, recite methods that have been previously restricted to different groups.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to the Examiner, Dr. Gerald R. Ewoldt, Art Unit 1644, whose telephone number is 703-308-9805. Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center customer service representative whose telephone number is (703) 308-0196.
